

## **I** Getting Started with the *Paths* Curriculum

**PCG** | **Education**

Public Focus. Proven Results.™

## **Course Description**

The goal of “Getting Started with the *Paths* Curriculum” is to help you get up and running quickly with *Paths to College and Career* by showing you what’s in the curriculum and how to navigate the various resources.

After completing “Getting Started with the *Paths* Curriculum,” you will be able to explain how *Paths* is structured; identify and locate key components of a module, unit, and lesson; and identify and describe the purpose of key curriculum components. To do this, you’ll look at how the *Paths* curriculum is structured and examine its organization at the module, unit, and lesson level.
